Have a Healthy 2020 Summer From Katie's House Too Your House

2020 has been an eventful year for all of us. In addition to Katie's House members coping with the Covid 19 virus individually, organizationally we have also been struggling. So many of our activities have been curtailed and our fundraising ability has also been badly limited. Despite that, we have tried to rise to the challenge and increase our effort to give back to the community and to show our appreciation to the health care workers who are serving as our heroes.

Very Best Wishes from all of us At Katie's House

This is what we did!!

Katie's House volunteers assembled gift packets of personal care items and made them available to staff working at our local medical facilities treating Covid 19 patients...Nurses, Doctors and Support Staff at Newton Medical Center and Morristown Memorial Hospital thank you for all you do.

Katie's House Volunteers have given back to the community in so many ways by supporting the important work of our first responders.

Sandwiches provided to Health Care Providers at Newton Medical Center and Morristown Memorial

Jeremy volunteers at Father John's Animal Rescue... a refuge for animals needing a loving home. Who do you think will enjoy the walk the most, man or dog?

Our volunteers are shown with "Buddy Packs"... We fill these bags with gifts and "necessaries" and give them to children entering the foster care system because "we care". These children usually arrive with their few belongings in black plastic garbage bags and little in the way of child comforts.

It's not all work and no play!!!!

This year we managed to enjoy a few activities shown above, before the Stay At Home orders.

Katie's House usually sponsors several fundraisers during the year to pay for our Activities and Supportive Housing. Due to the Covid 19 restrictions our ability to raise funds has been severely limited. We have always appreciated your generosity and hope we can count on your continued support in 2020.

Please keep safe and healthy... From Katie's House to yours!
