Happy Holidays

We got Talent!!!

This year Katie's House held our first Talent Show... It was a "blast". About twenty of our young adults demonstrated the talents that make them unique. As most of you know, Katie's House arranges activities that provide meaningful opportunities for our members. KH provides, opportunities to develop both motor and social skills in an entertaining and supportive atmosphere. The show was such an outstanding success that we have decided to make it an annual event. **Well done "Guys and Gals"!!!**

Friendship Group and
Circle of Friends

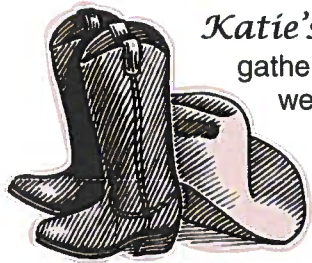

Richard's Place Completion!!!!

Yes we are done ... Thanks to the generosity of our supporters, our latest project, "Richard's Place" is now complete. The finishing touches are done. Richard and Jeremy have already moved in and are enjoying living independent of parents with staff to assist when needed. The picture on the right below is our "before" and the transformation on the left our "after".

Again, we thank all of you who have contributed financially or volunteered services, building material and items for the house.

Katie's House "Goes Western"!!! On a pleasant September evening, we gathered together our Friendship Group and Circle of Friends to enjoy a western "Hoe-Down". We had dancing, games, dancing, costumes, dancing, music, and super food. Oh yes, more dancing. Fun and a great time had by all who attended. Can't wait to do it again next year!!!

Happy Holidays from Katie's House to Yours
