Summer 2016 Newsletter

July 4th we celebrated our nation's independence and what better way to celebrate than to help individual with disabilities enjoy their independence. Katie's House, Inc. has expanded by adding our 3rd house. 2 of our homes are for young men and the 3rd house is for young women. At Katie's House we believe that people with disabilities can live independent of parents, in homes with support staff to keep them safe, cared for and with opportunities to be active members of the community. Katie's House Inc. is not a Group Home. We are not supported by the Division of Developmental Disabilities, so we depend on the generosity of our friends. Moving into a new house carries with it many expenses... some anticipated, some not. Once again we are asking for your assistance... please help us with your tax deductible donations and remember our Executive Director is a volunteer, so your donation goes directly to our programs instead of salary.

Love, Katie
