Summer Newsletter 2018

April 13, 2018

Katie's House
Attn: Evelyn
P.O. Box 96
Newton, NJ 07860

Dear Katie's House,

Many thanks are being sent your way for the ongoing thoughtfulness you continually bestow to our patients at St. Joseph's Children's Hospital Hematology/Oncology Clinic throughout the year. Your kind-heartedness is always appreciated.

The toys you donated helped our staff bring joy to some of the pediatric patients here. Your efforts helped enable many of the children to receive toys. The opportunity to be able to give toys to our patients brings them much happiness during a challenging time.

Thank you again for your continuous kindness and helping the clinic for many years. Our staff, as well as the families of our patients, send many thanks for your thoughtfulness. Please extend our appreciation to all those who helped to make this donation possible!

Sincerely,

Kelsey Gitchell
Kelsey Gitchell, CCRP
Child Life Specialist

Katie's House collected and donated Toys to the Hematology/Oncology Clinic. And yes, there are two bins FULL of toys!! What a great job!

OLLIE

Meet One of Our House Managers!
Desiree

We thought you might like to hear about the staff that helps to keep Katie's House running smoothly. We will feature a new staff member over the next few newsletters. First up is Desi! She has been with Katie's House for over 7 years. She lives with Kate and Katie in our Stillwater home. She is a special education teacher by day, teaches sign language and also oversees the Circle of Friends social group. Desi has a Boston Terrier named "Ollie", pictured above, who loves to play fetch, and resides at the house with Desi. Desi is well loved by everyone!
